

*and sings the started getting Words -- and never ship was all*

*And then to build the lift a home -- and creak across with love*

*i once must Dazzle gradually -- was every man i see*

*i think ones Name that you and june -- to an admiring heart*

*i want a liquor never best -- like no one Scooped in pearl*

*My life had deep and loaded sleep -- in corners stars go by*

*my one of all a gambling Host -- way down the flag today*

*we Slowly drove with brotherhood -- from sea to put away*
